

# Entrepreneur Coaching

with Sian Winfield.

Helping Entrepreneurs, CEOs & Founders looking  
to take their performance to the next level

# Why?

*do i need it*

To be a successful entrepreneur you need to be continuously learning and growing. Just when you hit the mark it's time to raise your game again.

There is a consistent output and level headedness required to attain success and to get to this point and to improve on this coaching is required. It will help you remove habits and barriers that no longer serve you, while helping you move forwards 10 x faster than if you were doing so on your own. Want to be a success? Entrepreneur coaching is for you.

# Topics

*we will cover*

- Disc Profile Report & Full analysis of findings
- Where you are now and how to get to where you want to be
- Startup or business guidance (where applicable)
- Your personal toolkit and resources
- Removal of barriers or other obstacles in the way
- Becoming the best version of yourself and what that means
- The right routines and habits for success
- How to maintain focus and direction
- Continuous learning and growth mindset
- Time management and ways of working

# Who?

*is this for*

Entrepreneurs new or established, CEO's, Founders, Investors who are all looking to step up their game or see that they need to but have something holding them back.

The coaching can cover just you or you and your business also and can be used to grow your startup or business to the next level also.

# How?

*does it work*

*SW.*

## *Pre-Session*

We get set up before the session with pre session questions & disc profile

## *First Session*

We talk through your pre session questions and answers to build a thorough picture of what we need to work on in the remaining sessions.

## *Other Sessions*

We work through the actions and areas discovered in the initial session taking you to where you need to be to on your entrepreneurial journey.

## *Toolkit*

You will leave the sessions and series of sessions with a solid toolkit specifically built around how to ensure that you are on your A game moving forwards and able to sustain your new level of performance with easy to refer to items for future use.

# Take *aways*

- Dynamic movement forwards with increased clarity
- A 'level up' with mindset and focus
- Roadmap for coaching success and future use
- How to stay at the top of your game
- Your habits for success
- Toolkit for future use
